Julie—thanks, can you share/ or does anyone have here the TPs that were developed? Howard just stopped by and asked what this issue was and if we had any info. I told him I'd follow up.

Rich

I am on break at flathead basin commission in Kalispell. I have just been asked to give tv interview at 3:30 pm on Columbia Falls Aluminum plant superfund preliminary investigations. I will follow talking points created last Friday.

I also spoke to Missoulian reporter this am.

Sandy Fells: Virginia Sloan from Senator Tester did nice job on topic this am.

Hi all—I've attached this week's R8 press planner for your input before I submit to HQ. Please take a look at below and provide any new items or updates to me by tomorrow pm.

Specifically, please let me know if you 1.) **have any updates to items currently listed** or 2.) **have new items between April 15 and May 17.**

As a reminder, the press planner content includes **NEWS RELEASES** (includes press releases, news briefs, statements, and media advisories), **PRESS EVENTS**, **SPEAKING ENGAGEMENTS (including RA, DRA, MO)**, **WEBINARS**, and **SIGNIFICANT PUBLIC MEETINGS**.

As always, your time and effort is much appreciated. Sincerely!
